## ***Let us Introduce Ourselves***

*We are a Family owned company based on the North West of Tasmania with two locations available in Burnie & Devonport.*

### ***Administration Support***

*Rosey has a Cert IV in Administration, with 10 year's experience in Government Agencies, 4 years in the Mining Industry, plus 7 years being a stay at home mum to two children & a partner. Rosey is a loving, caring person & loves to help people.*

### ***Counsellors***

*Please visit our website to see the counsellors we have available including their training, qualifications and experience. Each of our staff have a wide range of skills so that we can assist with most enquiries for counselling.*

## ***Employee Support***

*Employees need support at times.*

*The Mental Health and Wellbeing of your staff should be an integral part of your overall Safety Management System.*

*How we deal with life's obstacles and how quickly we overcome, or learn to deal with these issues, will assist with your team members ability to return to work in their normal capacity.*

## ***Counselling Topics***

*Our Counsellors are experienced in many areas including significant items such as:*

- *Relationships*
- *Grief or Trauma*
- *Stress & Anxiety*
- *Self Confidence*
- *Family Matters*
- *Anger Management*
- *Addictions*
- *Depression*
